## We're Growing!

We are proud to announce  
Center For Urologic Care of Berks County is expanding!  
To better serve you and meet the growing needs of our community,  
we are opening a new second location. Stay tuned for more details!  
**July 2024**

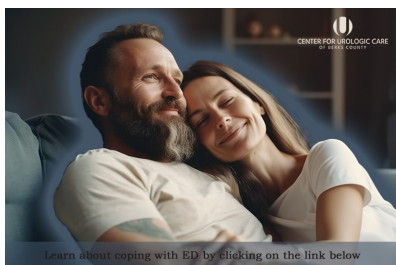

---

## Medications Available In-Office!

We want to offer our patients the convenience of picking up their prescription right after their appointment, in the same location as their provider.  
Please contact our office with any questions!

## Prostatitis

Prostatitis is an inflammation of the prostate gland, a walnut-sized organ present in men. Inflammation is the body's immune response to any pathogen that attacks it. The body recruits the immune cells at the site of invasion through the bloodstream and starts a destructive process to clear out the pathogen. This may also cause harm to surrounding normal body tissues.
